Fall Squid Fishing

featuring

Capt. B.J. Silvia

Flippin' Out Charters

Greg Vespe

Captain B.J. Silvia and Greg Vespe will be presenting their unique take on the Rhode Island squid fishing scene.

Squid fishing used to be six weeks long each spring and anglers would sit on buckets next to a light trying to jig them. But B.J. and Greg have taken it to another level. As their experience and knowledge has evolved they have made squid fishing into a **nine-month long season** that now includes multi-style jigs, use of the latest electronics lighting systems and positioning options.

In their seminar, Captain B.J. and Greg will cover topics such as how to choose the right jig based on conditions; how to locate squid throughout the year; what tricks they use to maximize their catch and how you can stay on the bite from April through December by taking advantage of these new advances.
