**Junior Member  
JACK TREAT**

with his first bass of the season that weighed in at 17.40 lbs on May 21. As you can see it was a little large for Jack, so his grandfather, John "Jack" Treat gave him some assistance for the photo

**HARRY POTTER**

displays a 5.53 pound tautog that he landed while fishing from shore on May 20. The fish is currently in 1st Place, Shore Division, of the Yearlong Tournament. We think this fish may be in the **Witness Protection Program** since Harry is hiding its face.

**BARBARA AUDINO**

with this 31.5 pound beauty on her husband's boat *NEPHRON*, using a T-Man tube and worm setup on May 20. This was her personal best, beating at straight 31.0 fish in 2007.

**6 year old  
Junior Member  
AIDEN  
WARNER**

was his dad's (**Mike Warner**) partner in the RISAA Team Fluke Tournament. Even though they didn't place in the Top Ten, it's obvious that Aiden was very excited to catch this fluke!

**8 year old  
BRENDAN  
MACDONALD**

was so excited to have caught his first scup in July while fishing with his grandfather, Steve Ruhnke in his boat off Common Fence Point in Portsmouth.

**KEITH  
RENNER**

displays a 5.59 bonito that he landed last October 8 while wishing with fellow member Mike Tourville.
