**ARE YOU
GETTING THE
RISAA
SPECIAL EMAILS?**

RISAA has a **members-only** EMAIL NOTIFICATION system. This is used to send information to members in between issues of the monthly news magazine.

Notices usually include:

- Special Events
- Meeting reminders
- Upcoming tournament reminders
- Last-minute changes of meetings, dates, times
- Fisheries meeting notices
- News of interest to members that won't be in the news magazine.

The emails are sent using **Constant Contact**, a professional e-mail service.

If you are a RISAA member and not getting the RISAA notices, send an email to steve@risaa.org to get connected.

If you ARE supposed to get RISAA emails, but are not receiving them, make sure your computer isn't blocking or marking them as spam. If so, please put "risaa.org" into your exceptions file so the mail goes through.
