This is a recipe that had been submitted by
RIC MURRAY
 several years ago and is worth repeating

**Portuguese
 Fish Stew**

A good way to cook bluefish

INGREDIENTS

- 4 cloves garlic
- 1 medium onion
- 12-18 clams (littlenecks)
- 2 bluefish fillets, small
- 12 shrimp
- 24 oz can tomato sauce
- 1/2 lb chorico (Portugese sausage)

DIRECTIONS

- Chop 4 cloves garlic and onion. Saute in oil or butter until transparent.
- Add 12-18 littlenecks and cover. Steam until they open. Remove clams to bowl.
- Cut bluefish fillets into chunks and add to littlenecks mixture.
- Add 24 oz can or jar tomato sauce (I like Barrilla "baking" sauce). Add some water or red wine if needed to create enough broth.
- Add crumbled chorico meat (to taste).
- Simmer 1/2 hour.
- Return clams and add 12 shrimp (peeled). When shrimp are cooked through (3-4 minutes) it's done.
- Serve with crusty garlic bread and red wine, and don't tell anyone that it's bluefish in the pot.
