

RISAA Member News

by Lynn Medeiros

The purpose of this column is to pass along information and milestones within the membership. Birthdays, anniversaries, events or get-well wishes are all in order. We also let members know of the passing of other members.

GET WELL

to **JOAN BRADBURY** who underwent surgery on January 8 and was ill for a while. We all hope your now doing well Joan.

CONDOLENCES

We were all sorry to hear the news that we lost long time member, **PAUL KAVANAGH** on January 17.

Paul lost his wife Rita last year. He is survived by eight children, twelve grandchildren.

Paul joined RISAA 18 years ago, and would volunteer at the Fishing Show and other events.

He was such a nice man, and helped at Take-A-Kid Fishing Day and enjoyed handing out potato chips as "his job" because it was fun.

We extend our deepest sympathy to all of Paul's family and friends.

CONDOLENCES

We extend our sympathies to the family of member **JOHN RICHY** of King's Park, NY.

While very few members actually knew John, he has been a RISAA member for 14 years, but most of you have all seen his advertisements in every issue of our newsletter for the past 20 years!

John operated **Terminal Tackle Company** out of New York, and many members have ordered hooks, jigs and all types of bottom fishing gear from him.
