SHORE HELP AND BOATERS NEEDED

DETAILS

- The 50 children will be split into four groups, according to age and fishing experience.
- We need at least two adult members to lead/chaperone each group. More is better.

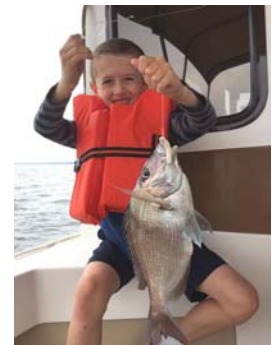

• **Tuesday: Shore Day.** Kids will receive instructions on shore in such things as fish ID, fishing laws, spin & conventional tackle, basic fishing knots, lures, jigs, baits (how/why they work) and boating safety basics. They also will spend time learning to cast and fish from the shore at Rocky Point.

• **Wednesday: Party Boat Day.** All kids and chaperones will go by chartered bus to Galilee and board the fishing boat *Seven B's* where the children will enjoy several hours of fishing.

• **Thursday: Member Boat Fishing Day.** All of the kids & RISAA volunteers will fish aboard 15-20 (hopefully) RISAA member boats out of Greenwich Bay Marina. They'll

learn bottom fishing for scup, sea bass, etc. around Warwick Neck and trolling for bluefish in Greenwich Bay.

- Lunch will be provided for everyone each day
- Adult volunteers will receive a mileage stipend.
