

UPCOMING SEMINAR

Monday, April 29 at 7:00 PM

A Special Presentation by the
RI Department of Environmental Management
Division of Marine Fisheries & Division of Law Enforcement
Management of our Resources

This presentation will feature a holistic approach for management that involves collecting data, using science for fisheries management and the important role of law enforcement.

featuring

Jason McNamee

Chief, Division of Marine Fisheries

Marine Recreational Information Program (MRIP) recalibration and the impacts to fisheries assessments.

Nicole Lengyel Costa

Principle Biologist
 Chair, ASMFC Striped Bass
 Technical Committee

As the chair of the Striped Bass Technical Committee for the Atlantic States, Nicole can provide the most important insight into the status of striped bass on the east coast.

Dean Hoxsie

Deputy Director, Bureau of Natural Resources
 Chief, Division of Law Enforcement

Chief Hoxsie will discuss the role and importance of law enforcement in the management of our marine fisheries.

Nate Andrews

Fisheries Specialist,
 Lead APAIS Field Technician

Will discuss the ongoing Access Point Angler Intercept Survey data collection and why it is important to recreational anglers
