

The Food and Cooking Crews

Our Take-A-Kid Fishing Day (TAK) is over, and it's the time each year that I sit and evaluate how the day went. What could I have done to make it better or what should I not do next year?

It is also the time to thank everyone who help make the day so memorable for the kids. It requires many people to make this a huge success.

For my part, as the Food Crew leader, I need to recognize those who put in a lot of work, not only preparing the food, but carrying the soda, water, condiments, etc., organizing, prepping and being ordered about by a crazy lady (me).

A thank you also goes out to the guys on the Cooking Crew who worked over those smoky, hot grills to cook hundreds of burgers and hot dogs. Their performance was outstanding under the leadership of this year's Cooking Crew leader, **Christian Grundel**.

And of course, thanks to **Jane Kearney**, who's help for the past 15 years cannot be measured.

Thank you one and all! -Lynn Medeiros
