### GET WELL

our Fund-Raising Committee chair, **LARRY HILL**, who runs the fishing tackle raffles at our monthly meetings, ended up in UMASS hospital for several days at the end of August with a cardiac problem. Larry was sent home and scheduled to go back for surgery on September 20. He's supposed to take it easy for three months, but he's already saying to expect him at the October meeting.

We all wish you a speedy recovery Larry!

### GET WELL

Member, **JEN HIRST**, suffered an accidental fall on the evening of September 26 and ended up at the ER in R.I. Hospital where it was determined that she suffered wrist bone chip, displaced fracture. She'll be spending some time in a cast (a medical cast, not a fishing cast). We hope it all heals quickly Jen.

We extend our deepest sympathies to member
