**RISAA's Foundation**

The following was received by RISAA last month:

“This is your quarterly AmazonSmile donation notification to inform you that the **Rhode Island Saltwater Anglers Foundation** received a new donation of \$56.63 this quarter.

Thanks to AmazonSmile customers, the Rhode Island Saltwater Anglers Foundation received \$427.76 in donations to date.”

Ever since COVID began, being a senior citizen, I have followed strict COVID restrictions for my wife and I. During the first few months we had grocery deliveries, and avoided all stores and public events.

I started to make more purchases online and a lot through Amazon.

Then I discovered that I could purchase the items through Amazon, at

the same price, but logging into AmazonSmile would get some money to our Foundation.

The first time, I only had to log into smile.amazon.com and select a charity that I wanted to support, which was our Foundation.

The donation will be made at no extra cost to me, and Amazon will donate .5% to my purchases to our Foundation by Amazon.

Tens of millions of products are eligible for donations via AmazonSmile.

As RISAA members know, the Foundation is used to support youth fishing programs, environmental projects, fish ladder projects, and much more.

If you also have become an online shopper to remain safe, give AmazonSmile a try.

**Do you shop online at Amazon?**

**If you do, you can donate to the RISAA Foundation at the same time! And at NO COST TO YOU!**

Our Foundation has been approved and is a registered nonprofit to receive donations from AmazonSmile ([smile.amazon.com](https://smile.amazon.com)).

You still use your Amazon account. Just log in via [smile.Amazon.com](https://smile.amazon.com) and the site will work exactly the way you are used to with the added bonus that Amazon will donate a portion of your purchase price to the RISAA Foundation.

Tens of millions of products on AmazonSmile are eligible for donations. You will see eligible products marked “Eligible for AmazonSmile donation” on their product detail pages.

On your first visit to AmazonSmile you need to select a charitable organization to receive donations from eligible purchases before you begin shopping. Just type in “Rhode Island Saltwater Anglers Foundation.”

Amazon will remember your selection, and then every eligible purchase you make at smile.amazon.com will result in a 0.5% donation.

This is an absolutely free, easy way to make donations to the RISAA Foundation that only requires you to log in and make purchases through the special smile.amazon.com link. It couldn't be easier to donate to RISAA!
